Wastrel Manor is a signpost in western [Velen](#). Taking the road south from the signpost will lead to the actual Wastrel Manor building, now in ruins and inhabited by a "deity" named [Allgod](#).

Map description

The once-beautiful manor house located near here was known for its extravagant balls, which were attended by the cream of the local youth. Its owners abandoned it over a century ago, but soon afterwards it became a place of worship for the local community, which believes a [deity](#) dwells in the ruins.
